## NOTES

- A modern reinterpretation of a classic chester, the La Scala sofa, designed by Claudio Bellini, is a masterpiece of craftsmanship, characterized by the straight lines along the perimeter that surround the detail of the deep-buttoned upholstery and the softness of the cushions.
- The interplay between interior and exterior gives rise to a sofa with a unique design, which is also incredibly comfortable thanks to the fine padding inserted in the enveloping backrest and deep seat.
- A traditional model that even blends in with contemporary furnishing projects with elegance and sobriety.
- Tight Seat Cushion (the seat cushions of the models are fixed to the frame)
- Tight Back Cushion (the back cushions of the models are fixed to the frame)
- Without Feet Assembled (the feet will be in a bag inside the package)
- Plastic Wrap (the model will be wrapped in a plastic bag)
- Feet available in metal finishing 78 (Black Chrome)
- Feet height 12,5 cm
