NOTES

- The attractively designed square and linear shapes of the Svevo sofa have been created by architects Manzoni and Tapinassi. Svevo is inspired by typical 50's proportions, but designed in a light and dynamic model.
- The unusual structure supporting the soft padding combines wood and metal to create a perfect visual impact. The slim armrests give it a modern design, which adds a touch of elegance to both the workplace and the home.
- Loose Seat Cushion (the seat cushions of the model are not fixed to the frame)
- Wood Frame
- With Feet Assembled (the model will be loaded with feet already mounted on the sofa)
- Plastic Wrap (the model will be wrapped in a plastic bag)
- Feet available in wood finishings 29 (Oak Coffee) with metal insert 78 (Black Chrome)
- Feet available in wooden finishings 32 (Smoked Oak) / 33 (Olive Walnut; with upcharge) with metal insert in color pewter
- Feet height 18,0 cm
