TECHNICAL INFORMATION

Designer: Andrea Lucatello

Nodo represents a new vision of the design living room table, establishing itself as an icon of the modern living area.

An evolution for this project between design and function that expands our range of offerings available today.

Contemporary design with a clever mix of materials, offered in a palette of exclusive finishes, a versatile and functional table capable of adapting to different environments and satisfying various consumer demands in line with the latest furniture trends.

MATERIALS:

Sophisticated design for the central base made of laser-cut curved sheet steel, polished and powder-coated Interpon with a smooth and matte textured gold finish.

The special coating represents a protective and decorative coating that provides both high scratch resistance and exceptional durability and ease of cleaning.

The table consists of a pantograph-machined shaped Top in Tobacco Ash finish wood with alternating running vein in low-gloss natural finish for a more textured look effect.

Edge made with rounded shape.

The top is mounted and anchored to the base by 4 metal attachment points.

Base equipped with adjustable feet.
