TECHNICAL INFORMATION

STORY TELLING

Designed by Mauro Lipparini, Berber rug is a tribute to the hand-knotted technique of Berber production with subtle graphic signs that make the rug intimate, delicate, yet add a minimalist touch to the ambiance. A high-end carpet in a shiny organic silk that radiates the furniture that accompanies it.

TECHNICAL DETAILS

- Hand-knotted: carpet made with the hand-knotting technique, an ancient art of Iran, India and Turkey. The Berber knot is also classic, in which the yarn spins twice around the warp chains. -> quality measured in knots per m2.

- 80% Banana Silk , 20% Cotone

COLLECTION and COMPOSITION

- 2 dimensions 200x300 and 300x400

- 2 colors: dark grey with brown stripes, taupe with brown stripes
