## TECHNICAL INFORMATION

---

Designed by Itlamp Studio.

A luminous sculpture that blends art and design, Cicla captivates with its bold yet refined  
Its glass diffuser, rich in textures and reflections, seems to float above a sleek cylindrical base, creating an interplay of light and shadow that transforms any room into a sophisticated scene.

Available as a table lamp and a wall lamp.

Light source

LED Module: 21w

Lumen: 2500

CRI: >80

Color Temperature: 3000K
