NOTES

- The Herman sofa, designed by architects Manzoni and Tapinassi, features deep, comfortable seats equipped with chaise-longue end units that allow you to comfortably lie down.
- The backrests are decorated with matching cushions, while the armrests emphasize the essential design of the sofa, enhanced by the presence of extremely elegant stitching.
- The backrests are decorated with matching cushions, while the armrests emphasize the essential design of the sofa, enhanced by the presence of extremely elegant stitching.
- To allow modularity, the single elements can be put together thanks to the rubber stops under the legs.
- Available in Byborre covering, designed by Dutch textile innovation studio BORRE, a yarn that combines very high quality wool and recycled PES with 3D pattern and available in several colours.
- Model Herman (2981) can be ordered in leather using code V981. In leather aesthetics of the sofa are completely different.
