VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

 Low

 Medium

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Designed by Marcel Wanders Studio.
- Date of launch: 2022.
- Model not available in Misterbianco and Cassidy leathers.
- Seat cushion includes a layer of memory foam, a pressure-sensitive soft polyurethane, that recovers its form completely thus giving great comfort.
- Adjustable headrest on all versions.
- Adjustable armrest in several positions with click mechanism in the opening phase and frictioned mechanism in the closing phase.
- Microcellular polyurethane foam padding made from a plant based raw material, drawing from renewable sources found in nature.
- Such padding meets the demands of a market that is increasingly sensitive to products with a low environmental impact and ensures maximum comfort, thanks to high production technology and the high quality of the raw materials from which it is made. The seat is composed of polyurethane foam with density 50 combined with a layer of memory foam 2 cm high.
- Upholstered sofa sides with hidden and removable hooks
