NOTES

- A square, contemporary design conceals exceptional comfort, which can be customized with the latest-generation recliner functions. An emblem of customized relaxation.
- Contrast stitching is available only with certain covers and option is managed directly in NARES.
- Available with Soft Touch mechanism that changes the seat and back cushion position with a simple tap.
- Model has power combined headrest. ATTENTION! The headrest opens first followed by the footrest; then the headrest has one final extra rotation for comfortable TV watching position.
- Thanks to ZeroWall mechanism, seat and back cushions can be reclined at a great length without moving sofa away from the wall.
- Second option versions 480/481 have 2 adjustable headrests on the left and right terminal backs
- Versions Axx-Cxx-Dxx--Exx are available with rechargeable battery pack. There is a power cord outlet with a finish grommet on the lower back of the sofa rather than the bottom. This design is such to allow for easy plug and unplug action for charging.
