NOTES

- Designed by Natuzzi Design Center.
- Avana is one of our most popular models and an original Natuzzi Style Centre design. It is characterised by its modern edge and finer details, such as the tufting on the seat, the rounded metal framing around the armrest and metal insert in the wooden foot.
- Unmatched relaxation, thanks to its comfortable seat and adjustable headrests.
- Contrast stitching is available only with certain covers and option is managed directly in NARES.
- Adjustable headrest on all versions except for the corner item in the sectional
- Tight Seat Cushion (the seat cushions of the models are fixed to the frame)
- Tight Back Cushion (the back cushions of the models are fixed to the frame)
- No Leather Side (the sectional pieces have the side covered with lining and not leather)
- Internal wooden frame.
- Feet requires assembling. Feet will be in a bag inside the package.
- Round arm and headrest kit are available in metal finishings 75 (Glazed Nickel) / 77 (Glossy Chromed)
- Feet available in wood finishings 09 (Walnut) / 18 (Wengè)
- Feet height 4,5 cm
