VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

 Low

 Medium

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Designed by Natuzzi Design Center.
- Date of launch: 2024.
- Available in leather or fabric.
- Introducing the new Faraone sofa, it has been inspired by Queen Nefertiti. Queen Nefertiti was an ancient Egyptian queen renowned for her beauty and power. This modular sofa features the profile of Nefertiti's bust on the armrest.
- In leather, to avoid cuts on the seat and back cushions, the model is available starting from cat. 15; only in article LE MANS
- Model also available with thick leather with model code Sxxx (Art. Cassidy cat.60, Misterbianco cat.30).
- Use code V309 to order Faraone in all fabric categories currently in our Natuzzi Italia soft covering collection.
- Faraone leather version sofa is distinguished by its moccasin-style stitching, which elegantly runs along the headrest, arms, and front seat profile. This detailed stitching not only enhances the aesthetic appeal but also underscores the Natuzzi craftsmanship and the attention to detail that goes into each piece.
- It offers both motion recliner and non-recliner modules.

NOTES

- The mechanism of the sofa with a dual motor recliner is very intuitive. With the two buttons on the front part of the control panel, the headrest opens first simultaneously, and once opened, the footrest opens.
- The two buttons on the inner part of the control panel, towards the backrest, allow you to individually control the position of the headrest, tilting it further and bringing it to a more advanced position. This provides better comfort when watching TV, reading a book, or relaxing.
- By distributing weight evenly across all pressure points, the zero-gravity power motion system makes you feel weightless. It takes the pressure off your spine and can promote circulation in the legs.
The definition of Zero Gravity Reclining is the ability for your heart to be resting above your feet which provides proven health benefits.
- The Faraone sofa is also available with a 45-degree corner option and includes in between seat consoles, rectangular or trapezoidal, complete with storage compartments. The finish of the table tops is in Matt Chocolate finish.
