FUNCTION	Bed ☐	Electric motion ☐	Motion ☐	Recliner ☐	Sliding ☐				
OPTIONS	Removable ☐	Nails ☐	Contrast Stitching ☐						

NOTES

- Forma was designed by Italian architect Claudio Bellini.
- With modern and pleasant lines, it's inspired by the urban style and it's characterized by the welt that enhances the side profile.
- The sofa gives a touch of design also in small spaces. In version two-seater with chaise longue Forma becomes a real bed.
- Model is available with contrast welt (or another detail such as a band under arm cushion) to be entered as second covering
- Seat cushion includes a layer of memory foam, a pressure-sensitive soft polyurethane, that recovers its form completely thus giving great comfort.
- Second option versions have memory foam and back cushion height is 2 cm more than standard versions
- Tight Seat Cushion (the seat cushions of the models are fixed to the frame)
- Tight Back Cushion (the back cushions of the models are fixed to the frame)
- With Leather Side (the sectional pieces come with leather sides)
- Wood Frame
- Without Feet Assembled (the feet will be in a bag inside the package)
- Plastic Wrap (the model will be wrapped in a plastic bag)
- Feet height 5,0 cm
