NOTES

- Designed by Michele Menescardi.
- Model Icon (3085) can be ordered in leather using code V085. Please note that the stitchings - hence aesthetics - of the leather sofa are different.
- Comfort >> The mix of padding in polyurethane and Climalight (special latest-generation silicone microfibre) guarantees a look and support that does not change over time.
- To allow modularity, the single elements can be put together thanks to the rubber stops under the legs.
- Tight Seat Cushion (the seat cushions of the models are fixed to the frame)
- Tight Back Cushion (the back cushions of the models are fixed to the frame)
- With Leather Side (the sectional pieces come with leather sides)
- Internal wooden frame.
- With Feet Assembled (the model will be loaded with feet already mounted on the sofa).
- Base in black galvanic metal.
- The hidden metal feet with anti-scratch and non-slip rubbers offer a practical solution for protecting floors.
