NOTES

- Designed by Marcantonio Raimondi Malerba.
- Date of launch: 2020.
- Infinito came into being thanks to the idea of cross-pollination and to an almost impossible challenge - taking the core aesthetic of one of the most powerful symbols for the human race and turning it into an object that has a strong symbolic value for Natuzzi - the sofa.
- The metal tubular structure gives the sofa a dreamlike and unmistakable shape, while the elastic polyurethane padding of varying density that surrounds it gives this piece of furniture maximum comfort, combining softness and support.
- Infinito is a challenging Design; a technical victory that became a slinky sculpture which glides in and out of itself becoming an inviting sofa perfect for lazing with a comfortable seat and a relaxing chaise-longue in the middle.
- In leather the model is available starting from cat. 15.
- Model is not available with article Misterbianco (cat. 30).
