## NOTES

- An essential, light design for an extraordinarily comfortable sofa. A project designed by Claudio Bellini for environments with a fresh, youthful style, including small spaces
- The fabric covering allows you to combine up to 4 different colours (the first one for the body and the seat, the second one for the large detachable backrest, the third one for the small detachable backrest and the fourth one for the leather trim, in a matching or contrasting colour, which emphasizes the outline of the sofa).
- There is a zip pocket on the sides of the armrest to easily store magazines, a remote control and other objects.
- Comfort >> The mix of padding in polyurethane and Climalight (special latest-generation silicone microfibre) guarantees a look and support that does not change over time.
- Tight Seat Cushion (the seat cushions of the models are fixed to the frame)
- Loose Back Cushion (the back cushions of the model are not fixed to the frame)
- With Leather Side (the sectional pieces come with leather sides)
- Wood Frame
- Without Feet Assembled (the feet will be in a bag inside the package)
- Plastic Wrap (the model will be wrapped in a plastic bag)
- Feet available in metal finishings 77 (Glossy Chromed) / 78 (Black Chrome)
- Feet height 21,0 cm
