VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

 Low

 Medium

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Designed by Andrea Steidl.
- Date of launch: 2024.
- For his new project in collaboration with Natuzzi Italia, Andrea Steidl draws inspiration from the 13th-century Federician architecture of Puglia. Like the grand Federician castles, Mirai possesses a structure with strong yet light personality, blending architectural depth with contemporary softness.
- Available in leather or fabric.
- In leather the model is available starting from cat. 25 (Status).
- Model is not available with article Misterbianco (cat. 30).
- Available in linear and modular versions, Mirai revolutionizes your living space with its futuristic aesthetic and customizable configurations. Its unique terminal modules(vers 200/201) and chaise longue (vers. 047/049) redefine versatility.
- Featuring rectangular back cushions filled with feather as standard fixed to the frame by a zip (except vers 003 where back cushion is loose).
Mirai also offers the option to elevate your comfort with additional square cushions (vers 089), doubling as stylish accents. Embrace the future of relaxation with Mirai, where form meets function in perfect harmony.
