VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

 Low

 Medium

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Designed by Maurizio Manzoni.
- OBLO’ is the safe window from which to observe what is beyond the glass. A robust frame to rely on, and rounded shapes from which to be pampered.
- Rounded and fluid shapes for the armrest and back embellished with a metal tubing that surrounds it as if it were a belt that emphasizes the softness and roundness of the sinuous body. In addition to being a strong design element, this tubular features becomes a foot by grafting onto laser-cut steel plates.
- To allow modularity, the single elements can be put together thanks to the rubber stops under the legs.
- Comfort >> The mix of padding in polyurethane and Climalight (special latest-generation silicone microfibre) guarantees a look and support that does not change over time.
- Feet and base in 87 (matt black metal with brushed brass tips)
