TECHNICAL INFORMATION

DESIGNER: MARCEL WANDERS

Arch denotes an unmistakable style that reinterprets architectural elements of our territory with a modern and contemporary language; always able to impress through a refined taste. Fabulous details of elegance and finesse make Arch the protagonist inside a living space thanks to the materials and finishes mix that give it a strong decorative appeal. A beautiful library which really represent the architecture of Puglia. Arches which are amazingly putting together creates a whole line of mirrors with games of translucency.
