TECHNICAL INFORMATION

DESIGNER: Michele Menescardi

A collection of tables and accent side tables with a strongly decorative personality to serve the new Icon sofa of the Natuzzi Italia collection. Refined coffee tables featuring an extremely clean and formal line, and the modernity of the fine materials used. The shape of the tray-top and the central leg in solid wood are the perfect result of a sophisticated balance between technology and high-design. Thanks to the choice of the materials and different dimensions, they perfectly fit into several living contexts thanks to the variety of style and layout.
