TECHNICAL INFORMATION

DESIGNER: Natuzzi Design Center

Explore the forms of nature in order to find their use in design: Rose is the new living room chair with an enveloping design that evokes floral forms. The structure, which is entirely covered with fine Natuzzi materials, turns a romantic concept into a distinctly modern concept with a bold design and a soft, comfortable seat. An exclusive furniture design that combines tradition and innovation with style and elegance.

PRODUCT DETAILS

Configurable chairs are available only with leather Pasadena (cat. A0), Le Mans (cat. 15) and fabric Softech (cat. 88).
