TECHNICAL INFORMATION

DESIGNER: MARCEL WANDERS

An unmistakable style that uses modern and contemporary language, always able to impress through a refined taste and fabulous details in the name of elegance and finesse. Shield Bar stool with its elegant silhouette offers a seat with enveloping proportions and generous dimensions. Design details of the armrest gently underlines the concept of the "welcome" in contrast to the subtle lines of the structure. Shield is characterized by a particular attention to the details of the seam.

PRODUCT DETAILS

- Bar stool with structure in polished and painted black curved steel.
- Seat and backrest made of curved and painted steel sheet (tubular mesh), padded with high density polyurethane and completely upholstered in fabric or leather in various colours.
- Fabric version is available with Lemans leather piping.
- Available in leather cat. A0 (Pasadena), cat. 15 (Le Mans), cat. 40 (Siena) and fabric cat. 99 (Laguna).
